Subject: Response to 8-11-17 TDS Response and Urgent Request

Dear Mr. Gregory:

The City of Austin has received your request dated August 11, 2017 to continue briefly extending the initial extension period for contract NA140000089. After responding to each of Texas Disposal System's requests in the July 21st letter, the City does not want to extend the initial extension period for any longer. The City will continue to receive services under the 120 day holdover.

If you have any questions in this regard, please contact me by phone at 512-974-7711 or by e-mail at sandy.wirtanen@austintexas.gov. Thank you for your interest in doing business with the City of Austin.

Sincerely,

Sandy Wirtanen
