**11-3-3: COLLECTION OF GARBAGE AND TRASH:**

(A) It shall be the duty of all residential customers to subscribe to a commercial garbage collection service which is licensed by the City. The City Council may authorize an individual to dispose of his own garbage and trash where hardship is shown. The City Manager shall cause an investigation to be made of the circumstances surrounding any application for exception and shall report to the City Council on the results of his investigation. A list of such exempt persons shall be kept and given to any City garbage company monthly. The City Council may revoke said exemption at any time.

**(B) 1. Residence Service:**

The residences of the City and small professional and business firms who receive twice a week regular service have been divided into fair and reasonable types according to their structure and uses, for the purposes of collection of garbage and trash. Fair and reasonable charges for service where pickups are made from alleys or from front or side line street curbs shall be and are herein shown in terms of dollars and cents opposite each type for a calendar month as follows:  
(2-13-79; Amd. 1-25-94)

- |   |         |
|---|---------|
| a) One-family residence   | \$ 7.45 |
| b) Small business, using residential-type service   | \$14.90 |
| c) Two family duplex residence  | \$14.90 |
| d) Apartment house<br>(where large containers are not used) per unit  | \$ 7.45 |
| e) One-family residence for those residents receiving "supplemental security income" payments from the Social Security Administration<br>(2-03-87)  | \$ 5.00 |
| f) If customer desires trash or garbage removed from a location other than one designated by Section 11-3-2(C), an additional one dollar (\$1.00) per month may be charged. (2-13-79; Amd. 1-25-94) |         |

2. Inspection Charge, Reports:

In addition to the above specified amounts, the City shall charge an inspection fee of ten cents (\$0.10) per month for each customer of all licensed garbage haulers. In all cases wherein the City acts as collecting agent for a licensed garbage hauler, the City shall include such additional fee in the monthly bills for garbage collection. The funds thus obtained shall be retained by the City and shall be separate and distinct from any funds retained by the City according to the terms of any contract existing between the City and such garbage hauler. All private garbage haulers shall submit to the City Water Department a monthly report of the number of customers served by such private garbage haulers and shall remit therewith a sum equal to ten cents (\$0.10) per customer. In the event any private garbage hauler fails or refuses to submit such report and remittance, the City Council may immediately revoke the permit granted to such private garbage hauler under the provisions of this Code.

3. Landfill Surcharge:

In addition to the above specified amounts, the City will charge a landfill surcharge of twenty cents (\$0.20) per month for each commercial customer of all licensed garbage haulers. In all cases in which the City acts as collecting agent for a licensed garbage hauler, the City shall include such additional fees in the monthly bills for garbage collection. All private garbage haulers shall submit to the City Water Department a monthly report of the number and type of customers served by such haulers and shall remit therewith a sum equal to twenty cents (\$0.20) per residential customer unit and fifty cents (\$0.50) per commercial customer. In the event any private garbage hauler fails or refuses to submit such report and remittance, the City Council may immediately revoke the permit granted to such private garbage hauler under the provisions of this Code.

All funds collected hereby shall be retained by the City and shall be separate and distinct from any funds retained by the City under any contract between the City and any garbage hauler.

The purpose of this surcharge is to defer the expense of engineering, testing and maintaining the City's landfill in accordance with all state and federal rules, regulations and permits; and for future landfill development and expansion. (2-22-83; amd. 6-20-89)

4. State Landfill Surcharge Fee:

In addition to the above specified amounts, the City will charge a State Landfill Surcharge Fee of fifty cents (\$0.50) per month for each residential customer, one dollar (\$1.00) per month for each commercial dumpster (box), and seven dollars and fifty cents (\$7.50) for each commercial roll off container. In all cases in which the City acts as collecting agent for a licensed garbage hauler, the City shall include such additional fees in the monthly bills for garbage collection.

All private garbage haulers shall submit to the City Water Department a monthly report of the number and type of customers served by such haulers and shall remit therewith a sum equal to fifty cents (\$0.50) per month per residential customer, one dollar (\$1.00) per month for each commercial dumpster (box), and seven dollars and fifty cents (\$7.50) for each commercial roll off container. In the event any private garbage hauler fails or refuses to submit such report and remittance, the City Council may immediately revoke the permit granted to such private garbage hauler under the provisions of this Code.

All funds collected hereby shall be retained by the City and shall be separate and distinct from any funds retained by the City under any contract between the City and any garbage hauler. The charges set forth under this section will be identified in the water bill as a State Surcharge Fee. (5-19-92)

**11-3-4: GARBAGE AND TRASH COLLECTORS:**

- (A) Permit to Collect: No person shall empty garbage and trash containers or receptacles, or convey or transport the contents thereof on the streets, alleys or public thoroughfares of the City for hire, without having first obtained a written permit from the Council.
- (B) Application for Permit: Any person desiring a permit for the collection, removal and disposal of garbage and trash shall make application for such permit to the Council, who shall make or cause to be made such investigations as may be considered necessary in order to determine whether or not the public convenience and necessity requires the granting of such permit and whether the applicant is a fit and proper person to conduct such business. Among other things the application shall consist of the following:
1. The application shall set forth the name and address of the applicant; the trade name under which the applicant does or proposes to do business; the number of vehicles the applicant desires to operate; the class, size and design of each vehicle; the financial status and responsibility of the applicant; his ability to respond in the event of damages to persons or property by reason of the negligent operating of a vehicle on a street or public thoroughfare of the City; the nature and character of the service the applicant proposes to render; the experience he has had in rendering such service; the patrons from whom he proposes to render the service; and such other information as may be required.
