Re: Application to Collect and Dispose of Commercial Garbage and Trash

Dear Mayor Lown, Ms. Ward, and Council Members:

This letter and information will serve as a request for a permit for the collection and disposal of garbage from commercial, institutional and industrial customers.

As per your 1959 Code of Ordinances, Sec. 11-3-3, Sec.11.704(a) Permit to Collect; A written permit from the Council is necessary. Section 11.704(b) Application for permit states "any person desiring a permit for the collection, removal and disposal of garbage and trash shall make application for such permit to the Council..."

**The following information is hereby being submitted by Texas Disposal Systems:**

Name and address of applicant and trade name under which the applicant proposes to do business:	<b>Texas Disposal Systems, Inc. P. O. Box 17126 Austin, Texas 78760-7126</b>
Number of vehicles:	<b>2</b>
Class, size and design of each vehicle:	<b>Class 8; 54,000 GVW Roll off trucks</b>
Financial status and responsibility of applicant:	<b>Texas Disposal Systems, Inc. (TDS) has been in the solid waste collection business in the Austin and Central Texas area since 1977. In 1991, Texas Disposal Systems Landfill, Inc. (TDSL) opened a 341+ acre Type 1 Municipal Solid Waste Landfill. TDS currently has</b>

multiple contracts and franchise operations in the Central Texas area. Some of the cities that TDS holds a franchise for are Georgetown, San Marcos (July 03), Buda, and Kyle. TDSL currently accepts approximately 2,500 tons of municipal solid waste per day. TDSL has 30-year contracts with the City of Austin for 67% (Appx. 85,000 tons) of their waste as well as the City of San Antonio for 100,000 tons of their waste.

Ability to respond in the events of damages to persons or property by reason of negligence:

TDS will operate out of Acme Iron and Metal which is owned by Bob Gregory, CEO of TDS, which will provide telephone and radio contact with trucks at all times.

The nature and character of the service the applicant proposes to render:

Initially, Texas Disposal Systems will utilize roll off trucks with 15 cy, 20 cy, 30 cy and 40 cy boxes.

Experience in rendering such service:

Bob and Jim Gregory, former residents of San Angelo, started the solid waste collection business in 1978 in Austin, Texas.

Patrons from whom they propose to render such service:

Commercial accounts within the City limits of San Angelo as well as businesses in the Tom Green County area.

Public liability insurance:

**Policy is provided and upon receipt of permit, applicant will provide supplemental documents including the City as named insured.**

Initial permit fee:

**Permit fee of \$200 for the first year is enclosed.**

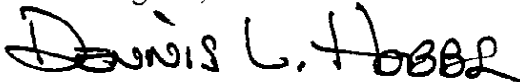

Hopefully the above information is satisfactory as the adequate information necessary to obtain a permit for collection and disposal of commercial, institutional and industrial customers within the City limits of San Angelo and surrounding areas of Tom Green County.

The following information will be needed by Texas Disposal Systems upon issuance of a permit:

- What format will the City Water Department require in order to file the monthly inspection fee report as well as payment?
- What format will the City Water Department require in order to file the monthly landfill surcharge as well as payment?
- What format will the City Water Department require in order to file a monthly report of the number of customers served as well as fee schedule payments for each commercial dumpster and for each commercial rolloff?

Should you desire any further information, please do not hesitate to contact me at (512) 421-1300.
