COMMERCIAL SERVICES

Beyond our residential collection services, TDS offers solutions for commercial needs. From job sites to large-scale events, we offer the highest quality of commercial services including portable restrooms, commercial dumpsters, event and landscape solutions and site services.

TEXAS DISPOSAL SYSTEMS

COMMERCIAL DUMPSTERS

Whether you manage a restaurant, school or other business, our commercial dumpsters are ideal for organizations that produce larger volumes of waste. TDS offers a wide variety of options, including:

- Front-Load Dumpsters
- Rear-Load Dumpsters (in select areas)
- Side-Load Dumpsters (in select areas)

ROLL-OFF DUMPSTERS

Ideal for contractors and businesses, TDS helps manage your properties and job sites with our 10, 14, 20, 30, and 40 yard roll-off dumpsters. We meet your needs with on-time, safe delivery and pick-up.

Our roll-off dumpsters are perfect for:

- Bulk Waste Pickup Needs
- Concrete and Demolition Recycling
- Source Separation of Materials
- Landscaping Solutions

Our roll-off dumpsters are available in the following sizes:

- 10-Yard (Mini Roll-Off Dumpster)
- 14-Yard (Mini Roll-Off Dumpster)
- 20-Yard
- 30-Yard
- 40-Yard

SITE SERVICES

Our wide variety of environmentally-responsible portable restrooms offer convenience, endless options and flexibility for your commercial needs. From single stall units to luxury restroom trailers, we accommodate all needs.

Our single units feature:

- Slip-Resistant Floors
- Solar Panel Lighting
- Hand Sanitizers

Our luxury trailers feature:

- Separated Private Stalls
- Flushing Capabilities
- AC and Heat Options
- Interior and Exterior Lighting
- ADA options are also available

TDS offers a variety of resources such as portable toilets, hand-washing stations, temporary fencing, lighting and generators for construction job-sites to help maintain a safe, sightly and sanitary site compliant with local ordinances.

EVENT SOLUTIONS

Whether it's a corporate event, music festival, or private engagement, we offer customized solutions for events of all scale and size.

Our comprehensive event waste solutions focus on:

- Properly Disposing of Waste in an Environmentally-Sustainable Manner
- Diverting Materials from the Landfill Whenever Possible
- Helping You Uphold Your reputation as a Sustainable Community Member

LANDSCAPE SOLUTIONS

As one of the largest waste disposal companies in Texas, our team proudly supports developers, builders and commercial landscapers with our revolutionary approach to a variety of landscaping services and products. This includes providing locally and organically-sourced materials such as STA-certified compost, soil blends, mulch and an array of landscaping services like brush grinding, erosion control and excavation.
